European City of the Reformation

500th anniversary of the Reformation – a CPCE project
“European City of the Reformation” is a partnership project of European churches and cities marking the 500th anniversary of the Reformation. The initiative supports the rich interplay of art, culture and spirituality, promoting journeys of historical discovery and tourism in the cities of the Reformation.

The CPCE offers participating cities:

- The award and use of the “European City of the Reformation” logo (image and text)
- The joint presentation of all activities in the media
